

Bachand places third in Texas

Salida graduate Garrett Bachand took his first trip to the pro podium March 20, when he placed third overall at the Caprock Canyon Enduro Race in Turkey, Texas.

Bachand, who graduated from Salida High School in 2014, is a full-time student at Colorado State University in Fort Collins.

“He’s taking a full load, going to classes on Tuesday and Thursdays, so he has time to travel to the races on the weekends,” his father, Darren Bachand, said. “It was a tough one, a 75-mile enduro race.”

The Caprock race was dual sponsored with the Texas State Championship Enduro Circuit (TSCEC) and the Rocky Mountain Enduro Circuit (RMEC), which is the circuit in which Garrett Bachand competes.

Bachand took some time off last year to focus on school, but his father said he is back and hopes to place in the top 10 of the RMEC.

He still has ties to Salida, with local sponsor C and J Automotive helping him out.
